

## Dragon Quest Heroes: Slime Edition: Direct

[Download](#)

Guitar Hero series DRAGON QUEST 3: The Seeds of Salvation DRAGON QUEST VII: Fragments of the Forgotten Past DRAGON QUEST X: Joint Alliance Dragon Quest series Dragon Quest series Dragon Quest Heroes is a free-to-play massively multiplayer online role-playing game developed and published by Square Enix. The game is available on the PlayStation 4 and iOS platforms. Dragon Quest Heroes is the first in a series of RPG games for smartphone and tablet devices. An established Japanese series, the games were created by Chunsoft to bridge their market to Western audiences. In order to do this they have included American characters and altered the story to be more suitable for Western audiences. Specifically, the level cap has been increased to 50 and the party size has been reduced to three from five. This allows for the inclusion of new gameplay features that did not make it into past Dragon Quest games. Dragon Quest Heroes is a web game that is free to play with optional in-app purchases for additional items. The game runs primarily on the Unreal Engine, with designs and graphics from Chunsoft. Dragon Quest Heroes was released in Japan in October 2014. It is known in Japan as Shinryaku! Ika Musume Dragon Quest (新なるドラゴンクエスト いかむすめ, DTIKUDONKO いかむすめ), which is a pun on Shinryaku! Ika Musume. Shinryaku! Ika Musume Dragon Quest is also the Japanese title of the compilation that includes both the Dragon Quest Heroes and Dragon Quest Heroes 2 games. History Dragon Quest Heroes was announced at a press conference on April 1, 2014. The game was released for iOS and Android on January 15, 2015, in Japan. The game was released in Europe on January 29, 2015, and in North America on February 4, 2015, along with its PlayStation 4 counterpart. The game is available to play as part of the free-to-play portion of the game's offering, or as paid items in the game store. Dragon Quest Heroes contains quests that help players level up their characters, as well as a battle system that allows for players to take on monsters and challenging bosses. Characters are divided into three character classes, called heroes, that players will use to advance through the game. The game features a world that is shaped like the Dragon Quest series and that is inhabited by monsters called mystics.
