Cirrhosis is associated with portal hypertension. Vasoactive substances released from the endothelium contribute to blood flow changes in cirrhosis. We tested the hypothesis that thromboxane A2 (TxA2) and endothelin (ET) contribute to portal hypertension and poor outcome in cirrhotic patients. In 135 cirrhotic patients, portal pressure, portal blood flow (PBF), systemic vascular resistance, and plasma levels of TxA2 and ET were measured. Fifty-eight patients (43%) had a wedged hepatic vein pressure gradient (WHVPG) \geq or =12 mm Hg. In the remainder, WHVPG was or =12 mm Hg had higher plasma levels of ET and TxA2 than did patients with a WHVPG e79caf774b

Apple's iTunes was one of the first to bring a digital music player to market, and over the course of its history it has grown into a monolithic, unassailable behemoth, the envy of the industry. Which means that the naming of subsequent versions is somewhat ad hoc, one version becoming the next. Amarra 4 is one of those versions, and it's the version that was released last December (version 4.1.4) and the version that has just been released (version 4.3.510). Album
