What's new in Convicted Galaxy:

Wide Receiver Stevie Johnson released a second statement in hopes of shaking off that infamous No. 1 jersey in Chiefs camp. It doesn't change much, but Johnson's plea to be a better teammate might. One day, I gave up everything to be a football player. Nights waiting in airports, planes getting blown up and calling my family from airports, hurtling down the road with nothing but my wits and a leather helmet. I spent thousands upon thousands of dollars, gave up nearly everything I had to be a football player. It all depends on you. There are 20 other players on the field out there that want to be the same as you want to be. So what do I put up with? What does everyone put up with in Kansas City, every single day? What are we putting up with anyway? So, "All you gotta do is listen." "All you gotta do is listen." Align yourself with who you need to align with. Find a guy that will help make you a better man. Because this game is so hard, you guys have to sign up for it. There are a lot of players that don't really appreciate that. I can't let that happen. I just can't let that happen. It's something that I wanted to give a voice to because people are constantly doubting those of us that want to be the best. ... When I'm out there doing what I'm doing, I've got about five kids, I've got three grandchildren, so I've got a lot on the line. Man, I'm just really tired. I'm really tired of a lot of stuff that's going on. When I see the things that are going on around here, the things that are going on in the locker rooms, the locker rooms are supposed to be about good. I'm not trying to be a villain, but man, how many vices is it that we keep on having up here? Once you have established who your teammates are, they are critical to making your goals a reality. When Johnson was released by the Buccaneers, he wanted to become a better teammate. And as he stated above, if you're a player, you really have only yourself to blame if you don't have good teammates. Johnson has the talent to be a good teammate, but he is often self-centered. Ever since
