Alumna Breaks Down on Being Seen 'Even Though I Was Transgender' for Her Documentary "I had to get a lot of people to do it. A lot of the people who were in my life who didn't know me as this trans person, no one could know me as this trans person. So it was really important to have them in the documentary." Transparent alumna Jill Soloway tells The Hollywood Reporter that the process of bringing the Netflix series' queer characters to life has been more difficult than she could have imagined. "It's really complicated because the whole thing happens when we don't really have the language we need to have to be able to explore these moments," Soloway says. "I was feeling like I didn't want to come out to my friends and family yet and they weren't able to understand, so that was a challenge. And then the language to be able to talk about it - even though I was transgender - is such a closed language. It's what is called a binary language." Soloway's exploration into trans culture led her to record a 10-page essay for The Advocate called "Being Transformed." It serves as the preface for Waking Up White, a new documentary exploring how white people can change and embrace empathy for other races. The film features interviews with jazz singer and actress Nina Simone and others. Told through the stories of seven white people — including Soloway, who appears in the

What's new in Elden Ring:

Story

1.

Two races—the Elden and the Lumos—reside in the Lands Between between the North and the South where the sky blazes with endless fire. For a long time they have been living in peace, obeying the rules of a magical power called Order. All is disrupted when the bizarre villainous man, Tarnished, appears in the Realm of the Cold. Rushing to the aid of the Kingdom of the Elden and its Royal Family, you come face to face with the enemy.

Battles are fierce and complex with action-packed turns where fatigue can make the difference.
