Fantasy has recently been enriched by a wide range of possible play styles. And, as such, the fantasy RPG has entered an age of tremendous change. Now, the fantasy RPG is a genre of diverse possible play styles. Eden Ring follows this trend and promises a unique online fantasy experience with many possible play styles. Rise Tarnished - The battle between good and evil in the past and the present Fantasy is a genre that often includes the framework of the genre fantasy. In the reality, it is difficult to convey the strength of the hero, the story of the hero, and the lesson of the hero as a positive example. It is difficult to live and suffer with the traumas of the heart and to unite. However, Eden Ring promises a fantasy that allows the player to live the positive example of the power of good and the strength of character. Focusing on positive examples, the fantasy incorporates the framework of the genre fantasy. The story of the hero is well conveyed. The hero is a young person, but there is no mistake about his strength. In addition to the story of the hero, the hero's positive example is a great sight of the world. Through the feelings of the hero, the player gains strength, values, morals, and power. Following the play style in which the player can enjoy the game in various ways, the basic system Eden Ring promises the luxury of various play styles that are popular in other games. [System] Story & Battles Dynamic battle system based on character creation Player has a character of their own who can level up to become stronger. Through constant and challenging battles with enemies of various strengths, the character's strength is raised to be stronger. The character's strength is presented in the form of experience points, which the character can obtain by performing certain actions or through various events occurring in the game. In addition to the character's strength, the character's level is also raised by learning what skill or ability the character has. When the character reaches a certain level, the character's skills and abilities can be used. When the character's level reaches a certain level, the character levels up and gains various skills and abilities. This is one way of raising the character's level. Story Based on the myth of Edwin, the king of Elden, the player completes the journey of the hero and takes a path of life. As the player succeeds, the character's level is raised. In doing this, the character

Prove  $\sum_{i=1}^n \left(\frac{n}{n+i}\right)^n = 2^n - 2^{n-1}$  Question : Prove that  
 $\sum_{i=1}^n \left(\frac{n}{n+i}\right)^n = 2^n - 2^{n-1}$  A:

$\sum_{i=1}^n \left(\frac{n}{n+i}\right)^n = \frac{n^n}{n!} \sum_{i=1}^n$

$\frac{1}{n+i} = \frac{1}{n} \left[ \sum_{i=1}^n \frac{1}{n+i} + \sum_{i=1}^n$

$\left(\frac{1}{n+i}\right)^n \right]$   $= \frac{n^n}{n!} (n+1)^{n-1} - \frac{n^n}{n!} \cdot$

$n^{n-1} = \frac{(n+1)^{n-1} - n^{n-1}}{n!}$   $= \frac{(n+1)^{n-1} - n^{n-1}}{n!}$
