Fantasy Action RPG * SEGMENTS - A NEW TYPE OF FUTURE RPG - Online Adventure A GREAT RPG THAT YOU CAN LEARN ONLINE. The fantasy action RPG game, The Elder Scrolls V: Skyrim, has established itself as the standard for the genre in the PC world, and the same can be said of the console RPG world, too. However, while some elements are based on The Elder Scrolls V: Skyrim, such as the dynamic graphics, there are many differences and new points. The action RPG segment, * SEGMENTS, is an online adventure game where you engage in RPG battles while exploring the vast world. - Battle Mode BATTLE WITH STRENGTH - STREET BATTLE AVAILABLE TO ALL PLAYERS To create a gameplay experience that is similar to the RPG genre, * SEGMENTS allows you to fight enemies in dynamic battles on the open street using your usual skills. Also, there are many players to engage in the battle with, and even other players in your neighborhood can join the battle. The battles can be done in a turn-based fashion, so the battlefield will be where your attention is focused, and you can decide the battle situation. - WEAPONS * - DRIVES You can equip various weapons as you advance through the game, and the weapons and your driving skills will grow with age. Through the experience of a moment of joy, you can accumulate a wealth of weapons, useful for fighting. - WORLD CASTLES * - SKILLS You can acquire skills for building up your castle to develop the rest of the game. Through exploration, you can add extra rooms, as well as facilities such as battle facilities, training grounds, resource facilities, or armories. - PORTAL MOUNTAIN - REBORN FOR THE NEXT GENERATION The * SEGMENTS action RPG game is born from the traditional RPG genre, but it has new elements added. For instance, the traditional battle on the open street, where you put skills and strength to battle at your disposal, has become an RPG-like action * SEGMENTS that is also an online game. In addition, you can acquire skills to build up your castle through exploration, and the story is based on the Myth of the Elden Ring. * SEGMENTS. ARGUMENT * - Online Game in the Traditional RPG - A Unique Online Game in

Elden Ring For Windows

● New mythos and new gameplay elements combined with the action RPG After seeing the mythos of the Elden, the era of the Darkness, develop in the Lands Between, a new mythos of an underground empire is beginning to take shape. As a member of a nation of adventurers who have travelled to the depths of the Elden Ring, there is an opportunity for you to rise. A tale where the various thoughts of the various characters intersect in the Lands Between unfolds in a multilayered story told in fragments. As you travel to the Lands Between and delve deep into the underground empire, you will gradually learn about the secret history of the Lands Between, the past battles between the underworld empire and the lands above, and finally, the mystery of the land.

● New personnel play style A large number of new types of equipment have been added to raise your equipment quality. By enhancing your muscle strength, dexterity, intelligence, and constitution using the equipment you equip, your character can achieve maximum potential.

● New multiplayer and numerous other elements You can battle against the enemy in a large map. You can also fight against the enemy through a large map with various obstacles in the background. It can be up to 4 players at once.

● Opening of all the lands that makes up the Lands Between All the lands opened for your use, such as the Lands Across and the Lands Between, have all been arranged into a map. You can freely travel to these maps through the single-player quest.

● New way to play using Paralogue By continuously selecting the available options while playing, you can customize the game according to your play style. You can freely choose from a variety of options to control how you play and how you develop your character. You can choose from among various game elements to enhance your gameplay.

● Improved development system With a new combat-oriented development system, you can develop various skills and equipment that will help you to progress. You can freely develop your character with the added control of attacking and defense skills.

● Hand drawn graphic style A dynamic graphic style that is ever changing in the backdrop of other players has been realized. As you play, you will be able to play while experiencing a new and unique atmosphere.

● Fantastic events Every time you enter a new map, you will be treated to a special event. There are quite a lot of events planned in the future so please look forward to them.

● New opening movie After going through various events and
