It also means that you will be responsible for yourself, which is not limited to the physical world. The transition from the matriarchal society to the patriarchal society on the planet was difficult and painful. Many lives were lost, and many, many more were harmed. Many members of the matriarchal society faced emotional and psychological stress because of their new role. Women should not be labelled "child abusers." We are not "child abusers" and it is not child abuse to discipline your child. Women are simply parents, and like parents, we discipline our children. Mothers and fathers are all labeled as "child abusers" when they discipline their children. When children are disobedient and this is taught to them, it is considered abuse. Children are emotional and their emotional development is easily controlled by parents. By disciplining your children and parents, you are controlling the emotions of your children and not "abusing" them. If you were to think of a time in your life when you were disciplined as a child by your parents, did this emotional control and discipline hurt you? If you did feel hurt by your parents' emotional control and discipline, were you allowed to express this? No. This is all normal. What is a mother for, if not to discipline her child? The feminine energy is not to be confused with the feminine principle. It is not "emotional control." When you use the feminine principle, you follow your feminine nature and your emotions, and your emotions guide you in this world, but when you think of the feminine energy or "mother," you are linking the feminine energy to emotional control. This is not feminine energy, but it is something that the patriarchy has been taught to associate with the feminine energy. The feminine energy is not emotional control. It is an energy that assists in emotional healing, not emotional control. 6. The emotional detachment from your emotions is another result of patriarchy. How would a e79caf774b
