What's new:

is full of hidden objects, and you are needed to help Vera in finding them all. It's up to you to help Vera find and identify hidden objects around the house. As you go on exciting adventures, you'll need to switch between a full screen to see both Vera and the objects! Follow the clues to find the right objects while you escape danger! This isn't your traditional Find the Word game, but follow the clues to help Vera solve the case. Game Features: More than 200 challenges across 6 rooms Play using reverse and volume controls Examine objects which can't be seen in full screen mode Collect items to protect Vera and escape danger Explore an amazing paranormal ghost's house Fantasy themed puzzles to find Customize your own sequence of actions Tips: You need to select objects with the mouse and press the Space bar to activate each item. The mouse will continue to return after it's stopped in order to select a new item. You can select objects in all six rooms if you click in this area. //===== Copyright Valve Corporation, All rights reserved. =====// // Purpose: When multiple instances of this class are created, each one will // have a unique id.
