"Compass, maps, messages - this is the ordinary stuff of life. It's nice to have an extra set of these on hand. The real joy comes from finding the Holy Grail hidden in the game board - the holy grail will bring blessing to all who find it. And a cursed sword is not without use. I believe your quest is a worthy one." - Gene Jones, the co-creator of the Prisoner of Azkaban From the creators of Voodoo Vince, it's your turn to turn the tide of history. The mysterious Knights Templar have set their sights on hunting down the Holy Grail and its hidden location in order to bring eternal life to mankind. The fate of humankind is in your hands. Are you brave enough? Important: • New version of the game is available! Please download to update the game to avoid errors. From the creators of Voodoo Vince, it's your turn to turn the tide of history. The mysterious Knights Templar have set their sights on hunting down the Holy Grail and its hidden location in order to bring eternal life to mankind. The fate of humankind is in your hands. Are you brave enough? Important: • New version of the game is available! Please download to update the game to avoid errors. "One more step...!" "That's the way...!" "Very talented fellows...!" "Fine work, gentlemen...!" The story begins in 1218. Imagine the beginning of the most extraordinary scientific era ever, when a recent discovery by the Franciscan friar, John of Cuenca, changed the world forever. On the eastern coast of Asia, someone else was looking for the next new discovery. The Chinese ship, "Niño de Marco", made its first trip across the ocean. They brought back to Europe a group of men they've called to mysterious Knights Templar. These men were responsible for the whole expedition, and they were equipped with the best equipment and ships available to be at this time. The men just looked like walking machines, but these warriors could cover long distances in a blink of an eye, they could fight with the best knights, and they could sail across the seas of the western world. It's not that the foreigners had no idea that they've crossed the equator. They had already heard
