System Requirements For Elden Ring:

Savepoint as a programmer is a side-scrolling action-platformer that's developed by the Finnish development studio Pixel Barrel. The game has been in development since 2014, when the studio began with the game's art concept. The studio recently completed their Steam Greenlight campaign and took home the title, "Best Game of the Year" by the internet giant, Reddit. In Savepoint, you play as an ant, traversing vast landscapes on a mission to escape from a blizzard. When you're not escaping the blizzard,
