The sixth installment in the Fantasy Action RPG series, Elden Ring includes the following new features that are not present in other titles: 1. The Lands Between The world of Elden Ring is divided into the Lands Between and the World of the Elden. The Lands Between is a world between the physical world and the spirits. Some places in the world of the Elden are places where the spirits dwell. By unlocking a gate, you can travel between the physical world and the world of spirits. The world of Elden Ring is vast, and there are many doors with different functions. Each dungeon contains a single door, and the number of doors increases by one. Through your adventures in the Lands Between, you can access various themed dungeons to enjoy the scenery, the monsters, and the challenges awaiting you. 2. The Customization System The Customization System lets you freely customize your appearance, equipment, and magic, and choose a class, race, gender, and name. Additionally, you can have many different types of weapons, armor, magic, and pets, and you can freely combine different types of equipment. The customized character not only looks unique, but also has different status effects. It is a new and fun RPG experience. The Customization System is enhanced throughout the game. You can use a variety of other items you collect and improve your character. You can also combine them with a variety of elements to raise the cost and increase the level of the item. 3. Custom Battle! You have the option to use battle tactics to defeat enemies. In addition, multiple strategies are prepared in each battle, and each strategy can lead to various different combat situations. Use useful battle tactics to defeat your enemies using items that can be acquired using the Customization System. By levelling up the items, you can access new and varied strategies. 4. The Travel System You can seamlessly travel between the physical world and the world of spirits by awakening its doors. There are many gates, and the number of doors increases by one. Upon awakening a new gate, you can enter a new area, which can be a dungeon or a town. You can travel to the world of spirits by awakening a gate. This opens up a new world that is full of fascinating and exciting situations that might be impossible to find in the physical world. By enjoying all-new areas and monsters, you can challenge yourself even further. You will feel satisfied with your
