rule the rail password 18 the rail password 18 the rail password 18 the rail password 18 the rail password 18 the rail password 18 there are lot of different sites with some pictures (and some videos) related to these rules. i dont know what to do after that, i have almost 15 pages of tips (some of them are from You Tube) but none of them helped me. the rail password 18 rule the rail password 18 the rail password 18 the rail password 18 the rail password 18 the rail password 18 A: It looks like your not connecting with the login form, but are connecting directly to the page, since you're sending a POST request rather than a GET request and the login form is not creating a session or redirecting you to the homepage. After looking at the HTML, you'll need to change var post_data = { 'login':username, 'password': password, 'sid': sid, 'psid': '\$(psid)', 'action': '0' } to var post_data = { 'username': username, 'password': password, 'sid': sid, 'psid': '\$(psid)', 'action': '0' } and var p_url = "@StudentCyberSpace/cs/welcome.php?sid="+ sid + "&psid=" + \$(psid) + "&action=" + action + """; to var p_url = "@StudentCyberSpace/cs/welcome.php?sid="+ sid + "&psid=" + \$(psid) + "&action=" + action + """; And remove the when defining the p_url variable. Q: Adding multiple titles to slides created in matlab oo i am creating slides in matlab oo using the slide = actioncollection('CreateSlide','AddSlide','DelSlide','AddSlideEffects','Default'); The code adds a slide which is called "First Slide". I have a small problem. Instead of "First slide" I want it to be "First slide, Some text". I tried replacing "First slide" to "First slide, Some text" but
