I'm trying to dump old (2005?) Macromedia Flash SWF format, which was used in old games etc. I have tried to use Fliforwarder (to merge Flaso's to one Flash SWF file, but it failed. Is it possible to get such SWF file? Thanks. A: Since Fliforwarder isn't what it claims to be I found something else called FileMerger. It works but don't expect a huge speed improvement. and for many years, working on special projects as required.
