Amazon Reviews: "Great way to see the legal system in third person, Kind of sim like Lawyer studio. Always have to change "self" whenever I read or try out something"The One That Got Away The One That Got Away is a 1946 American film noir crime thriller directed by Michael Curtiz and produced by Hal Wallis. The movie stars Barry Sullivan, Ida Lupino, and Paul Kelly. Its screenplay was written by John Twist, and it was based on a 1939 radio play by Claude Rains. Plot Joe Moxon is a successful Chicago social climber and lawyer whose girlfriend, Caroline, has recently found herself a new suitor, a successful painter named Vernon Blake. Unknown to her, Moxon plans to steal Vernon's art and sell it secretly, without paying him for the original. Although Caroline is unaware of this plan, she becomes suspicious of Vernon's behavior and — disturbed by his attempts to communicate with her dead first husband — seeks a divorce. After being persuaded by Moxon to do so, Caroline checks into a San Francisco hotel under an assumed name. As a way to protect the thief, Moxon contacts a gang of pickpockets, who are willing to intervene if Moxon pays them to steal the painting from Caroline. The pickpockets accept the assignment, and after a brief ruse in the hotel lobby and a

**building it as an MP3. Some of these samples may or may not get put up since it's a very tedious (and quite expensive) task to assemble an entire piece like this. But, as of right now, we don't want anyone to have the mp3 stripped if it's in the way. That's why I've put it in a separated section below. The following is a comprehensive list of all the tracks and information for the Vestaria Saga soundtrack. I hope you all enjoy the tracks and effects. General Info: - All of the above tracks were assembled from one of the various CDs... --except for "Buy The Ship" which was directly ripped from the game... (my other friend and I actually recorded it onto tape first, then recorded again on a dual vinyl record next) Credits: - "Aoi Seeds", Jerome Russell and Nick Wyatt, & [www.Squidzilla.com](http://www.Squidzilla.com) - "Verl-Instruments" used for the track "Another Candle" - We have the rights to the entire album, so it's alright to rip it all for people to download... - If anyone has the rights to this and feels like using it for their own project, please leave a comment saying as such, and I can contact them. Thanks and Happy Ripping!! With all of this tracking done, we decided to post some of the best samples to make sure all of**
