Tuesday, April 6, 2015 It has been two  
weeks now since I left Quartzsite. As a  
parting gift, I have left little gifts behind for  
myself; books on Quariztic that have been  
used repeatedly throughout my visits to  
the desert, photos that I have taken that

Stripboard. Lochmaster is a developers tool for stripboard projects.. In the new version we have made the software more realistic. Imagine waiting in line at a 24 hour restaurant and when you finally get your hands on that delicious meal, it's a pretty bland one. At Panera restaurants, they take pride in being able to make the most delicious, customizable sandwiches in one of the most quick places to get food. Panera has a new concept popping up in the Dallas area: Coffee Culture. Unlike its other concepts, Coffee Culture will be sticking to just the breakfast hour. Because this is a concept of Panera it is planned to be fast, affordable, and most importantly for your taste buds...delicious. But how do they make their delicious and customizable oatmeal in the style of Panera? Well we got one of Panera's own chefs to show us: e
