In 2006, the foundation was formed to confront urban blight and failed urban renewal. The current and former president is Michael Legg, a flamboyant street artist from New Orleans. References Category:Street artists Category:Graffiti in the United States Category:Graffiti artists Category:Organizations based in New Orleans Category:Street culture Category:Anti-corporate activism Category:Art in New Orleans Category:Contemporary art Category:Downtown Houston Category:Urban renewal Category:Organizations established in 2006 Category:2006 establishments in TexasJurassic Park is one of the most unique and exciting theme parks we have ever been to in the North East. We visited the park on our last day in the UK and could not resist trying a bit of 'Jurassic time'! Riding the T-Rex: The T-Rex is the biggest dinosaur and our favourite ride in the park. It's so amazing to watch and feels like you're galloping with a big dinosaur! The T-Rex is named by the number of times you are 'knocked over' by the dinosaur's tail. You're only knocked over once, if you're counting, and then you climb right up again and go for another ride! You have to use your muscles to push your body up and over the dinosaur's head, but once you're past it's huge tail, it's not so tough. We went on T-Rex
