Cineyka is a term used in the Tamil movie industry. Named after the studio, it basically means the actor or actress would play in 15 - 35 roles in a movie. Film producer T Rajendar refers to the Tamil film industry as the Big C. This film is releasing on Wednesday, May 25 at 10 PM. • The film is directed by Shankar. Shankar has a checkered past. Three of his previous ventures, • Jayam (1997) (English Subtitles), • Enakkul Oruvan (2005) (English Subtitles) and • Daddy (2010) (English Subtitles), have been disasters. • Director Shankar is Tamil cinema's undisputed bad guy. The songs were filmed last month in Yathiraj Parambathu. Jimmy said he is extremely excited about this collaboration. The director, who had teamed up with Bala in the past, is also giddy. Bala even said he was planning to take a holiday in Sri Lanka with his family. He is also going to Sri Lanka to oversee the editing of the film. As per a report from The Times of India, Madurai-based Deeksha producer Sundar confirmed that Bala has written in the film. He told the paper that Bala has written six songs. Bala met him in Chennai recently. But, Chaya will play the lead role. The report goes on to say that Chaya, who has acted in several music-based movies, will play the female lead. Jimmy said that filming will commence in September this
