Sorry, I thought I had read the rules here, but as I seemed to have overlooked it. I've searched both the forum and the new requirement to download the latest version of the free resource pack from the store page, but have not found it there. As an aside, is there any good reason why the "excellent" reviews of the paid version of this pack do not appear to be required. Only reviews of the free version? Yes, I downloaded the paid version, and it was good. It is updated for every release of the game too, and though it does not actually make the game any better than the free version, it is convenient and saves me lots of time which I find very useful. I agree the reviews for the paid version are not required, but if you want to have a look at the paid version you can go right to the store page and click "buy me" or "buy" or whatever the word is in that language and it will take you to that page.
