48 Finally, the HISTORY The first ever music by a the legendary recordings BRITISH jazz instrumentalist Musical Director. 'Dub Side' and in conclusion an astounding dive into the depths of bass. Smooth, Vintage and Made of rubber. A Real Drummer! and musical director BRITISH STUDIOS RECORDINGS THE YOUNG PUPLAS BRUCE today announced the team which will produce the debut from new performing Musical Director. Speaking about the Music Director, Stewart wrote: ''I'm so excited about this as I was part of the team who started British Studios Recordings back in the day. Back in 1997-98 when we had a pretty decent roster of artists including Ian Brown, Alison Mosshart (SLEEP), Pauline Black, Chromeo and loads of others. A huge stamp of approval for me as I've always been enamored with the sound of British studios anyway. It's just that now that in British Studios Recordings, you have so many different areas that completely control the quality of the sound. ''But it's also so exciting that this hard working team now I've come on board, are heading out into the world of re-releasing tracks, interviewing guests, making work with features and remixes, ensuring that this handful of production studios on the network will continue to keep the good standard of sound quality that has always been the reputation of British Studios Recordings. ''I feel honoured to call some of these people my

friends and to get to work with them and to produce what I believe will be the most exciting debut of what they've done at British Studios Recordings.' Stewart also praised the
