Save this article in your favourite RSS Reader. By using RSS you will never need to visit this site again. Name: Email: RSS Reader: How does RSS work? This is a standard web page feed format for sharing news and articles from web sites around the web.Baltimore's Historic Decatur Theater Looking for a Home Baltimore's theater and film scene needs a much needed infusion of cash and passion, and certainly can't survive in its current location, as it is in the Exelon building. While the Maryland Film Office is the final say on production relocation in the state, a number of the city's best local spots have long desired a return to the spacious storied Galleria at the Inner Harbor, including the famous Strand Theater. The people behind the popular music and comedy series, "Live At the Theater" (on Netflix), are lobbying hard for the redevelopment of the historic Decatur Theater in the heart of central Baltimore. The Hollywood Reporter said the show's
