Witch Momiji is the master of demonic magic and bounty hunting! With the 5 kinds of magic in her arsenal, she will hunt witches down with a catch, and dispose of their evil ways with nothing less than death! ... Play as the other 5 girls in an all-new girl-on-girl action game! Play it in VR with the PlayStation VR Headset! A friend of mine gave me a PlayStation VR a while ago. I never really played with it since it's expensive and hard to find for sale. But because she gave it to me as a gift, I decided I would use it after all. You can find additional information about the PlayStation VR on the PlayStation site. VR version of the game was a lot harder to play than the regular version. You... Ikusa Kaihatsu Co., Ltd. I love magic in real life, but I've never been able to try it. I mean, why would we open a portal when we can just go to the nearest magic shop to buy spells? Finally, I got my chance! Today was the opening of the Sorcerer's Coven. The Sorcerers' Coven is where magic and alchemy go hand in hand. Here, I could really create spells and potions that work. I'm Momiji... Akagure
