This time the arecanut, a sacred paste was being used by all persons. It also worked as a power of a lord. All the farmers of the land were able to get the arecanut at a low price. This also eased the poverty of these people. At that time, so many people were using this paste. As per the rules, these people were not allowed to use the arecanut paste. The people who used the arecanut paste felt that this paste is a good thing to use for them. They thought that the who used this paste was able to get the food which is good to eat. The arecanut paste is also a good substitute for the rice which is a food of all the people. They were also using the paste to get the food which was sufficient to eat. The use of this paste gave the people a feeling to be proud of themselves. The people used this paste because they knew that this paste will make their families richer. So they were using this paste to get more food. The one who was using this paste was able to save their families which are rich in those days. It is necessary for people to have a happy life. So this is the reason why people used this paste to save their families. The use of this paste made people a
