Are you doing the right thing with your money? If you're wondering what to do to get the most out of your money, it can be difficult to know where to start. To make matters worse, you'll likely get lots of advice for different areas of your finances. Most advice tends to focus on one area, such as your salary or investing, leaving you with a lack of direction and a confusing set of choices to make. I'm very grateful for the financial education I received from both my parents. But what if I din't have a solid understanding of money until I was already older, working and raising a family? I've spent years refining my financial skills to become a money coach, but I still don' faure a solid understanding of money until I was already older, working and raising a family? I've spent years refining my financial skills to become a money coach, but I still don'
