The document wasÂ sent. to the server where it will be available.The market for the settlement services industry remains volatile and volatile, or so the New York Times would have you believe. From the article (7/26/01) "Few Quacks but Lots of Scams": Of the dozens of new products for fraud prevention, recovery and accounting discovered in the past year, very few are worth the money, experts said. "You walk into a trade show these days, and you're going to be assaulted with all these new products. There's too many of them," said Rudolph F. Micco, a securities and commodities enforcement lawyer in McLean, Va. Some of the other 6d1f23a050
