Silent Hunter 5 torrent reviews Linda G. March 23, 2020 I bought this on DVD with all the add ons because I have enjoyed Silent Hunter V. I haven't played Silent Hunter V but the gameplay is outstanding, so I knew it would be a great game. It's main reason for my purchase was the add ons, so I can play the game on the PC or Xbox 360. First off, it isn't a patch, it's an update. That means that it's a new version of the game, not a patch. This is a great game and one of my all time favorites. I know that some people, not just PC folks, do not like it, but if that's your taste you are in the minority, not the people who bought this game. It's great! Regarding the difficulties with the game, it isn't easy, but if you can get past the frustration it's a great game. There is always a trade off. I recommend this to all

gamers who enjoy the action of Silent Hunter. It's multiplayer, so you can play against other players. I've tried the game out of the box, but there was a some annoying bugs. Once I downloaded the game from the store, the bugs seemed to be fixed. Let me say that, this game is not for everyone. This is a must buy for anyone who likes shooting games with a difference. If you don't like a hard game, you won't like Silent Hunter V. But if you do like the challenge, this is a good game for you. Quo Vadis! April 27, 2018 The game is great, but the in game server being a little bit slow, trying to find a group
