Geeks were loathe to talk to Popić. As he began to organise the project, however, the conversation turned into a discussion about ISVs and web standards and why some were doing things the old way and others were. “I was in meetings and came across this guy who was my opposite,” remembers Popić. “He was telling me about his portfolio and his work. I found him so interesting and he had such a unique POV. I wanted to 6d1f23a050
