March 20, 2021 - Dhoom: 3 (2013), an action thriller released in Hindi, Telugu, Tamil, at the theater near you in Nabha. Learn about movie reviews, . I have been a Dhoom fan since I first watched it as a kid. It was so exciting and so much fun that I always enjoyed watching it. I was intrigued when I found out that this will be a remake of the film and that it will be released in Nabha. I would be glad if it was, because I was very interested in this film. I knew that I would not be surprised, and I was right. This film is very different from the original. This is definitely a movie for girls and not for guys like the original.
