
Gaussian 09 Torrent 1357 [Extra Quality]

by N Carter 2018 Cited at 15 - Sci., 2018, 9, 1352-1357. Density functional theory using the B3LYP functional implemented in D.01 Gaussian version 09. Finding solutions to problems on the motion of particles in a magnetic field in the case of a one-dimensional potential profile and taking into account the relativistic scalar potential. For this case, an analytical solution of the Poisson equation is obtained in the case when a particle moves in a magnetic field that depends on its direction. Analytical solutions are obtained for the problem of particle motion in a magnetic field in the case of a one-dimensional potential profile and taking into account the relativistic scalar potential.
