## Monopoly Plus Corepack

now you can play a monopoly game anytime and anywhere! you can play by yourself or in multiplayer mode. try multiplayer offline with up to four players on one device (no wifi required). alternatively, invite family and friends all over the world to play in online multiplayer. when you are ready to roll the dice, you can host a private multiplayer lobby or share a public game with monopoly fans online. this version contains 4 new original “archetypes”: barbarian,

---

detective, general and scientist, while 8 new “victory conditions” have been added to the classic “how to win”: mithras, a barbarian game, where the barbarian’s player is the only player who can build his own empire. which means he controls the most powerful and talented army in the world. which means you will have to choose the right strategy to stay in the game, while your opponents will use their strategies to get rid of you.

akaman, a detective game, where the detective is the one who can find the best deals to win the game. vedas, a general game,

---

where the general's player is the one who can conquer the most fields. tektite, a scientist game, where the scientist's player is the one who is smart enough to invent new technologies, and build new corporations, with the goal of winning. boardgamemonopoly-gogtue, 06 dec 2017 14:42:06 gmt monopoly plus corepack monopoly plus codec core description monopoly plus caesar pack 1.01 is a version of the monopoly boardgame that adds 4 new original archetypes and 8 victory conditions, designed to the classic rules to make a more exciting,
