Startup Manager. "The most extensive directory on the Internet devoted to the Complete Works of Louis Armstrong." "Louis Armstrong was born to music and that music is the truest expression of God. God dwells in music and when man worships him, he is worshiping God." --Louis Armstrong "We just play. The best thing we've ever done. We're just a music machine, we're just a rhythm machine. I wish we could play the best, but we can't. We're just a music machine." --Louis Armstrong "I got my good feeling back today. I felt like a musician again. Now it's back where it belongs. It belongs in the music. We got our music back. That's all we ever needed. We just played music. That's all I ever wanted to do. We don't have any place to go, so we just play. I guess it's just something in your blood. You can't really help it." --Louis Armstrong "I'm so lucky to have found what I'm looking for, I'm on my way now. If I can help just one person, I've done my job. I'm so lucky to be able to do what I love to do. The music is the answer to every question. I wish I could play the whole day. To play the whole day, the whole world would have to shut down. I'm too happy now, I'm too happy. I just love what I'm doing." --Louis Armstrong "I was taught to play the trumpet from the time I could talk. I started playing the trumpet because the other children wanted to play, they enjoyed it, so I enjoyed it. I haven't played since I started school. My life has been behind a music desk or in a band. I've been lucky enough to play with all the top people. I've been fortunate enough to play on a very few good records. I've been fortunate enough to play with all the top people. I've been very fortunate." --Louis Armstrong "I don't want people to have to change the way they do things just to accommodate me. I've been accused of being a snob, but I just want people to do things my way. I don't want people to change things, I want people to know where I come from. I want people to know who they are. I'm here to teach people." --Louis Armstrong "We come into this world alone, we leave alone, and we have our friends to take care of us. I like to sit back, be quiet, and not bother people, and they won't bother me." --Louis Armstrong "Louis Armstrong. Louis Armstrong. Louis Armstrong. Louis Armstrong. He was a trumpet man." --Bill Cosby "He's
