What's New in the?

Create professional iOS apps with the help of this set of icons. Use some of the icons as tab bar or navigation bar items. In case of a good navigation for user's fingers, you may use the drop shadow in most cases. If you decide to add a bevel, make sure that it is 90 degrees. The icons are available in pure white with a transparent background. All the icons are completely vector-based and are totally scalable. The sizes for the navigation bars of the following devices are available: About 20 x 20 and 40 x 40 pixels for iPhone and iPod touch About 20 x 20 pixels for iPad About 30 x 30 and 60 x 60 pixels for iPhone and iPod touch About 30 x 30 pixels for iPad. All the icons are presented in the PNG format. Use the trial version and
