With just a tap on the iPhone, you can keep track of all your household appliances, connected devices, and appliances in one central place. You can even control all from one place - with your iPhone. Aug. 25, 2017 - When you think about a smart home, the first thing that comes to mind is controlling all of the connected devices that make up the smart home. This was made possible with the use of the Apple HomeKit and Google Home. However, it's actually easier to simply use a wireless HomeKit bridge that can plug into standard outlets to control your IoT devices. Check out the best wireless HomeKit bridge of 2017. Aug. 29, 2017 - The biggest worry most of us had when it came to smart home tech was that it would look outdated by the time the year ended. Apple and Google didn't help matters when they ignored the smart home smart in their recent announcements. But now we have the new HomeKit version 2.0.0 to prove that iOS devices aren't getting left out. It's one of the best upgrades to smart home products and the best way to control your smart home. View All HomeKit Devices Some of the best smart home tech products we've seen in 2017. Aug. 17, 2017 - The first
