Get your family or friends involved and enjoy the game like a real player. The game. Tasty Blue - Sweet as a cookie Tasty Blue is a 2D physics puzzle game created by MuffinTALENT and biganixs. The game is available on the iTunes App Store and Google Play. Tasty Blue - Sweet as a cookie - Heaps of chocolate (a new cookie) - Cookie coins (health) - Homing missiles (a new feature) - Hidden cookies (it's not a cookie, not so tasty) and so many more. The game starts with you being hungry, and with nothing to eat. You must cross over many landscapes, platforms and bridges, and collect new cookies. You must use your homing missiles to help collect the cookies that are floating away from you, and destroy all the cookies that are on the bridge. That's not all, there is also a high score mode so you can compete with other players. If you like the game, please leave us a review. If you like the game, please leave us a review. There's so much more than just the game. Click on the below image to go to the game
